Fields

Econometric theory

Academic Appointments

University of Southern California, Dornsife Center for Economic and Social Research

Research scientist, 2023–

University of California, Los Angeles

Visiting researcher, Jan–Mar 2024

Education

University of Southern California

Ph.D. in Economics, 2023

The Pennsylvania State University

MA in Economics, 2016

New Economic School

MA in Economics, 2013

Financial University under the Government of Russia

Diploma in Mathematical Economics, 2012

Publications

Medical costs and caregiver burden of delivering disease-modifying Alzheimer’s treatments with different duration and route of administration [\[link\]](#)

(with Tabasa Ozawa and Soeren Mattke)

Journal of Prevention of Alzheimer’s Disease, 2024, forthcoming

A uniform bound on the operator norm of sub-Gaussian random matrices and its applications [\[pdf\]](#)

(with Hyungsik Roger Moon)

Econometric Theory, 38, 2022, 1073–1091

Higher order conditional moment dynamics and forecasting value-at-risk [\[pdf\]](#)

Quantile No.12, pp. 69–82, 2014 (in Russian)

Working Papers

Bias correction for quantile regression estimators [Jan 2024, [pdf](#)]

(with Bulat Gafarov and Kaspar Wüthrich)

Journal of Econometrics, revise & resubmit

Bias correction and uniform inference for the quantile density function [July 2022, [pdf](#)]

Nonparametric inference on counterfactuals in first-price auctions [Jun 2022, [pdf](#)]

(with Pasha Andreyanov)

**Efficient counterfactual estimation in semiparametric discrete choice models:
a note on Chiong, Hsieh, and Shum (2017)** [Dec 2021, [pdf](#)]

Work in Progress

Estimation and inference in panels with attrition and refreshment

(with Jinyong Hahn, Pierre Hoonhout, Arie Kapteyn, and Geert Ridder)

Closed-form estimation and inference in panels with attrition and refreshment

(with Lidia Kosenkova)

Unbiased estimation of differentially private statistics

(with Flavio Calmon, Elbert Du, and Brian Finley)

**The association between risk-adjusted wound healing rates and long-term outcomes in a network of
U.S. wound care clinics**

(with Andrew Becker, Soeren Mattke, Mary Sheridan, and William Ennis)

Dyadic quantile regression

(with Hyungsik Roger Moon)

Nonparametric welfare analysis with additively separable heterogeneity

Teaching Experience

University of California, Los Angeles

Instructor

Machine learning for economists – Winter 2024

University of Southern California

Instructor

Econometrics bootcamp for Ph.D. students – 2020

Economic data analysis in R – 2018, 2019, 2020

Economic data analysis in Python – 2018, 2019

Economic data analysis in Stata – 2018, 2019

Graduate Teaching Assistant

Economics of financial markets (Prof. Steven Sapra) – Spring 2020

Econometrics (Prof. Roger Moon) – Spring 2020

Probability and statistics (Prof. Geert Ridder) – Fall 2019, Fall 2021

Big data econometrics (Prof. Laurence Wong) – Fall 2018, Fall 2019, Fall 2021

Time series analysis (Prof. Ratika Narag) – Spring 2022

Undergraduate Teaching Assistant

Principles of microeconomics – Fall 2017

Microeconomic analysis and policy – Spring 2018

The Pennsylvania State University

Graduate Teaching Assistant

Econometrics (Prof. Patrik Guggenberger) – Fall 2015

Undergraduate Teaching Assistant

Introduction to econometrics – Spring 2016

New Economic School

Teaching Assistant, Fall 2012 – Spring 2014

Introductory and advanced econometrics, applied time series econometrics, empirics of financial markets, mathematics for economists, game theory, probability and statistics

Professional Activities

Conferences and Presentations (including scheduled)

- | | |
|------|--|
| 2024 | USC (Department of Mathematics), University of Virginia, CIPHER 2024 (Washington, DC), Conference in honor of M.H. Pesaran (USC), University of Alicante, California Econometrics Conference (UC Davis) |
| 2023 | New Economic School (online, 2x), International Panel Data Conference (Amsterdam), California Econometrics Conference (Seattle), USC, Midwest Econometrics Group (Cleveland), Penn State, UC Irvine |
| 2022 | USC, New Economic School (online), California Econometrics Conference (Stanford GSB, poster), WEAI 97th Annual Conference (online), IAAE Annual Conference (London, UK), EARIE Annual Conference (Vienna), EEA-ESEM (Milan), HSE Moscow (online) |
| 2021 | USC, The Young Economist Symposium (online), Bristol Econometric Study Group (online), New Economic School Brown Bag Seminar (online) |
| 2020 | USC, Lund University |
| 2019 | USC, California Econometrics Conference (UC Davis, poster), HSE Moscow |

Research Visits

University of Virginia (2023, 2024), University of Chicago (2023), HSE Moscow (2021), UC Davis (2019)

Refereeing

Austrian Journal of Statistics, Journal of Econometrics, Oxford Bulletin of Economics and Statistics, Games and Economic Behavior

Other

Committee chair for an undergraduate thesis award, Department of Economics, Moscow State University

Member of the New Economic School Alumni Council (2024-)

Organizer of the New Economic School brown bag seminar (2024-)

Honors and Awards

USC Dept of Economics Summer Research Award 2021
USC Best Third Year Paper 2019
USC INET Graduate Fellow 2018–2019
USC Provost Fellowship 2016–2021
PSU Research Assistant Fellowship 2014–2016
British Petroleum Scholarship 2013
New Economic School’s “Best Teaching Assistant” Award 2013
New Economic School Scholarship 2011–2013
All-Russian Probability & Statistics Olympiad 2010 — 2nd winner
Eurofinance Mosnarbank Scholarship 2010

Other

Languages: English (fluent), Spanish (basic), French (basic), Russian (native)

Programming languages: Python, Matlab, R, C#, Stata
