Grigory Franguridi

franguri@usc.edu | franguridi.com

Fields

Econometrics

Academic appointments

University of Southern California, Center for Economic and Social Research

Research scientist, 2023–

University of California, Los Angeles

Visiting researcher, Jan–Mar 2024

Education

University of Southern California

PhD in Economics, 2023

The Pennsylvania State University

MA in Economics, 2016

New Economic School

MA in Economics, 2013

Financial University under the Government of Russia

Diploma in Mathematical Economics, 2012

Publications

Closed-form estimation and inference in panels with attrition and refreshment samples
(with Lidia Kosenkova)
The Econometrics Journal 29, no. 3 (2026)

Kotlarski's lemma for dyadic models
(with Hyungsik Roger Moon)
Economics Letters 263 (2026)

Bias correction for quantile regression estimators
(with Bulat Gafarov and Kaspar Wüthrich)
Journal of Econometrics 251 (2025)

Debiasing functions of private statistics in postprocessing
(with Flavio Calmon, Elbert Du, Cynthia Dwork, and Brian Finley)
6th Symposium on Foundations of Responsible Computing (2025): 17:1-17:18
FORC 2025 Best Paper Award

The association between risk-adjusted wound healing rates and long-term outcomes in a network of U.S. wound care clinics
(with Andrew Becker, Soeren Mattke, Mary Sheridan, Jack Knott, and William Ennis)
Advances in Wound Care 15, no. 9: 671-680 (2026)

Medical costs and caregiver burden of delivering disease-modifying Alzheimer's treatments with different duration and route of administration
(with Tabasa Ozawa and Soeren Mattke)
Journal of Prevention of Alzheimer's Disease 11, no. 5 (2024): 1384-1389

A uniform bound on the operator norm of sub-Gaussian random matrices and its applications
(with Hyungsik Roger Moon)
Econometric Theory 38, no. 6 (2022): 1073–1091

Higher order conditional moment dynamics and forecasting value-at-risk
Quantile No. 12, pp. 69–82, 2014 (in Russian)

Working papers

Inference in partially identified moment models via regularized optimal transport [June 2026]
(with Laura Liu)
Submitted

Testing selection on observables in parametric models with refreshment samples [Sep 2026]
(with Arie Kapteyn)
Submitted

Raking for estimation and inference in panels with attrition and refreshment samples [Sep 2026]
(with Jinyong Hahn, Pierre Hoonhout, Arie Kapteyn, and Geert Ridder)
Resubmitted, *Journal of Applied Econometrics*

Generalized method of moments with partially missing data [Jan 2026]
(with Hyungsik Roger Moon)

Nonparametric inference on counterfactuals in first-price auctions [Oct 2024]
(with Pasha Andreyanov)

Bias correction and uniform inference for the quantile density function [July 2022]

Efficient counterfactual estimation in semiparametric discrete choice models:
a note on Chiong, Hsieh, and Shum (2017) [Dec 2021]

Work in progress

Robust estimation and inference with given marginals
(with Jinyong Hahn, Arie Kapteyn, and Geert Ridder)

Nonparametric welfare analysis with additively separable heterogeneity

Teaching

University of California, Los Angeles

Instructor

Machine learning for economists – Winter 2024

University of Southern California

Instructor

Big data econometrics – Fall 2025

Probability and statistics – Fall 2024

Econometrics bootcamp for Ph.D. students – 2020

Economic data analysis in R – 2018, 2019, 2020

Economic data analysis in Python – 2018, 2019

Economic data analysis in Stata – 2018, 2019

Graduate Teaching Assistant

Economics of financial markets (Prof. Steven Sapra) – Spring 2020

Econometrics (Prof. Roger Moon) – Spring 2020

Probability and statistics (Prof. Geert Ridder) – Fall 2019, Fall 2021

Big data econometrics (Prof. Laurence Wong) – Fall 2018, Fall 2019, Fall 2021

Time series analysis (Prof. Ratika Narag) – Spring 2022

Undergraduate Teaching Assistant

Principles of microeconomics – Fall 2017

Microeconomic analysis and policy – Spring 2018

The Pennsylvania State University

Graduate Teaching Assistant

Econometrics (Prof. Patrik Guggenberger) – Fall 2015

Undergraduate Teaching Assistant

Introduction to econometrics – Spring 2016

New Economic School

Teaching Assistant, Fall 2012 – Spring 2014

Introductory and advanced econometrics, applied time series econometrics, empirics of financial markets, mathematics for economists, game theory, probability and statistics

Professional activities

Presentations at seminars and conferences (including scheduled)

2026 University of Chicago; UC Berkeley; UC Santa Cruz; UC Davis; Brown University; Boston College; Boston University; UC Riverside; CIPHER 2026 (Washington, DC); Bristol Econometrics Study Group (Bristol, UK); Canadian Econometrics Study Group (Vancouver); University of Virginia; Academia Sinica (Taipei); National Taiwan University; Xiamen University; Chinese University of Hong Kong, Shenzhen; The 2nd International Conference on Econometrics and Big Data Analysis (Xiamen); EC^2 Conference (Aarhus, Denmark)

2025 World Congress of the Econometric Society (Korea); California Econometrics Conference (Canada); NBER/NSF CEME Young Econometricians Conference (NYU); University of Copenhagen; Aarhus Workshop in Econometrics VII; USC Economics PhD Alumni Conference; University of Pittsburgh; University of Antwerp; University of Łódź (Department of Mathematics); Aarhus University; 30th International Panel Data Conference (France); IAAE Conference (Italy)

2024 California Econometrics Conference (UC Davis); USC (Department of Mathematics); University of Virginia; CIPHER 2024 (Washington; DC); Conference in honor of M.H. Pesaran (USC); University of Alicante; Lund University; HSE Moscow (online); Midwest Econometrics Group (University of Kentucky); USC CESR; New Economic School

2023 Pennsylvania State University; UC Irvine; International Panel Data Conference (Amsterdam); California Econometrics Conference (Seattle); New Economic School (online, 2x); USC; Midwest Econometrics Group (Cleveland Fed)

2022 New Economic School (online); California Econometrics Conference (Stanford GSB, poster); WEAI 97th Annual Conference (online); IAAE Annual Conference (London, UK); EARIE Annual Conference (Vienna); EEA-ESEM (Milan); HSE Moscow (online); USC

2021 USC; The Young Economists Symposium (online); Bristol Econometric Study Group (online); New Economic School Brown Bag Seminar (online)

2020 Lund University; USC

2019 USC; California Econometrics Conference (UC Davis, poster); Higher School of Economics, Moscow

Research visits

Aarhus University (2025), University of Virginia (2023, 2024, 2026), University of Chicago (2023), Higher School of Economics, Moscow (2021), University of California, Davis (2019)

Refereeing

Austrian Journal of Statistics, Journal of Econometrics, Oxford Bulletin of Economics and Statistics, Games and Economic Behavior, Empirical Economics, The Review of Economics and Statistics, Econometrics and Statistics

Other

Committee chair for an undergraduate thesis award, Department of Economics, Moscow State University (2024)
Member of the New Economic School Alumni Council (2024 – 2026)
Organizer of the New Economic School brown bag seminar (Fall 2024 – Spring 2025)

Contracts and grants

NIA (U01); *A Next Generation Data Infrastructure to Understand Disparities across the Life Course* (Kapteyn, PI); Role: Co-investigator; 2023–2026

Honors and awards

FORC 2025 Best Paper Award
USC Dept of Economics Summer Research Award 2021
USC Best Third Year Paper 2019
USC INET Graduate Fellow 2018–2019
USC Provost Fellowship 2016–2021
PSU Research Assistant Fellowship 2014–2016
British Petroleum Scholarship 2013
New Economic School's "Best Teaching Assistant" Award 2013
New Economic School Scholarship 2011–2013
All-Russian Probability & Statistics Olympiad 2010 — 2nd winner
Eurofinance Mosnarbank Scholarship 2010

Other

Languages: English (fluent), Russian (native), Spanish (basic), French (basic)

Programming languages & tools: Python, MATLAB, R, C#, Stata, Git

Last updated: Oct 9, 2026
